 Gardner Denver Brno

HOW DO WE WORK?

FINANCE DEPARTMENT

- **Accounts Payable** teams are responsible for vendor Invoices and ensure timely payment of all our obligations.
- **Accounts Receivable** teams analyze the credit risk of individual customers, set credit limits, ensure that all Invoice are paid on time and allocate payments in a timely manner.
- **The General Ledger** team administers asset accounts, general ledger accounting books and travel expenses.
- Teams of **Financial Controllers** and **Analysts** supervise our financial reports and management accounting.

MARKET SERVICES DEPARTMENT

- The team of **Sales Coordinators** processes our customers' orders, handles price offers, verifies delivery dates and supervises adherence to those dates. It also assists the sales managers in various locations and is available to our customers in the event that they have questions.

OTHER DEPARTMENTS

- The **Commodity** team unifies the global supplier network and negotiates better purchasing conditions for us.
- The **Pricing** team sets the pricing policy of our products.
