

## **JOB OFFER**

### **MID-LEVEL ASSOCIATE – HANOI, VIETNAM (3+ PQE)**

#### **Presentation of Audier & Partners**

Audier & Partners is an international law firm founded in 2008 by Nicolas Audier, member of the Paris Bar, who headed the Vietnam practice of a major international law firm for more than ten years, and four other Partners from the United Kingdom and France.

Audier & Partners' lawyers have many years of experience in advising clients on international and local law matters in Vietnam and the South East Asia region. Our team comprises talented lawyers and advisers from various countries including France, the United Kingdom and Vietnam, who have a broad range of technical skills and expertise, gained from working on landmark deals in Vietnam and South East Asia.

Our team has particular expertise, as acknowledged by key players in the market, in real estate, manufacturing, hospitality, agribusiness, infrastructure, distribution and media.

#### **About the position**

The ideal candidate will have at least 3 years' working experience either in practice or in-house. The work is varied, plentiful and of a very high standard and would suit those that are keen to maintain a variety in their practice within a growing firm.

The associate will notably advise and assist clients on foreign investment, corporate, M&A, finance and banking, real estate and labour laws.

Candidates will require high technical ability and strong drafting and written communication skills.

#### **Background/Skills:**

- A qualified lawyer in Vietnam or trainee lawyer at lawyers' school;
- At least 3 years' corporate/commercial experience gained in a leading law firm and/or in-house;
- Excellent communication skills and great client service;
- Entrepreneurial, flexible, ambitious and with a passion for the Law;
- Meticulous eye for detail;
- Excellent English written communication and drafting skills;
- French proficiency is a plus;
- Foreign education is a plus;
- Understanding of the South East Asia Region and of emerging markets.
