

Détail de l'offre : KPMG 2020 Tax & Pensions Graduate Programmes

Partenaire	KPMG
Ville	London
Référence	6243725
Titre	KPMG 2020 Tax & Pensions Graduate Programmes
Description du poste	Tax & Pensions Graduate Programmes In Tax & Pensions, the scale and breadth of what we do is so wide-reaching. Our services span company-focused areas such as; Corporate and Indirect Tax as well as people-focused services including Private Client Advice, Employment Taxes, Global Mobility Services, and Pensions. Our programmes in this area include: Tax: working alongside clients, you'll help them to understand the intricacies of tax across the globe, supporting them to comply with relevant regulations so they can operate responsibly, sustainably and ethically Investment Advisory: you'll provide invaluable services to pensions, trustee and corporate clients and develop your skills to advise on a diverse range of investment-related subjects, including asset allocation, financial risk management and fund manager selection. Global Mobility Services Technology: you'll help organisations manage their global workforce and use technology to provide tax and advisory services. Japan Practice in Tax: using your Japanese language skills, you'll focus on assisting our UK firm's Japanese clients on the issues that could affect their European operations. Pensions Actuarial: you'll develop robust consulting skills advising clients on their pension's strategy in this high-profile field. Training You'll benefit from structured training, mentoring, funded professional qualifications or accreditations relevant to your programme, and the support you need to learn, grow and thrive. We'll help you to develop your relationship building and commercial skills, as well as building your specialist knowledge, giving you a solid grounding in business. With access to numerous KPMG networks and clubs you'll have the opportunity to expand your social and professional networks, too. Benefits We offer a competitive salary and a host of great benefits, including 25 days holiday, a daily lunch allowance, study leave and a day off on your birthday. With up to six days of work time for volunteering – on top of your annual leave - you'll be encouraged to make a difference beyond the office, too. Your qualifications You'll need to have, on be on course to achieve, a minimum 2:1 degree in any discipline. We'll look at more than just your academic results and will also consider your strengths, values and motivations. See the 'How to Apply' section our website for further guidance.
