Description de la société	About TMF Group

In an environment of ever increasing globalization we provide professional services in 80+ countries to help our clients operate across borders. Whether entering a new market or driving in country growth we ensure they stay focused on their core business, taking the stress away from their accounting, legal and HR responsibilities.

We are embarking on an ambitious growth plan which will be achieved through strong organic growth, the entrance to new markets and completion of acquisitions. This provides a truly dynamic work environment to build a successful career and see a tangible impact from the work that you complete.

Currently we are building a new team to support our French colleagues with processes in corporate secretarial and accounting services and we are looking for positive and talented people!
